

Declaration of Compliance regarding food contact

We,

BINGOLD GmbH + Co. KG
Lademannbogen 65
22339 Hamburg
Deutschland

herewith declare that our product

BINGOLD Gummihandschuhe, blue, S – XL, article no.: 504415 - 504418

complies with the following legal requirements in their current valid version:

- (EC) 1935/2004 including traceability
- (EC) 10/2011
- BfR Recommendation XXI for rubber products intended to come into contact with foodstuffs
- German LFGB esp. § 30/31 (LFGB)

The global migration was tested under the following conditions:

Simulant	time	temperature	Results [mg/dm ²]	Limit acc. to 21. BfR recommendation
3% Acetic acid	10 min	40°C	<3	50 mg/dm ² · thereof max. 10 mg/dm ² organic matter
10 % Ethanol	10 min	40°C	<3	10 mg/dm ²
Olive oil	10 min	40°C	<3	10 mg/dm ² *

*: Currently there is no specific limit for fatty simulants in the 21. BfR recommendation. It is oriented to the limit value for plastics.

The limits stated above are maintained under the specified conditions.

The requirements laid down in article 3 of the regulation 1935/2004 are maintained. The product does not change the composition of a food and also not the organoleptic characteristics.

Only raw materials (basic materials, auxiliaries, additives) listed in the positive list of the 21. BfR recommendation are used.

The technical limit for soluble protein of 200 mg protein /kg glove (household gloves) is maintained.

The product is suitable for the following applications:

Types of food to be intended to come into contact with the glove:

all types of food

Types of food not to be intended to come into contact with the glove:

No limitation

The traceability according to regulation (EC) 1935/2004 is assured by applying lot numbers on each box.

The declaration of compliance is only valid for the specified conditions of use. The user is responsible for testing the compliance himself for any other conditions different from the conditions of use stated above (esp. for contact with mucous membranes or saliva).

This declaration has a validity of 2 years.

Hamburg, 23th November 2020
